

you can't buy love... but you can shop justly!

You're buying chocolates, flowers, gifts... to win your valentine's heart and to show you care. How about winning freedom for millions of slaves worldwide?

When you shop Fair Trade, you guarantee safe working conditions and fair wages for the farmers and craftsmen who produced the gifts you buy.

Show your valentine you really care: Shop fair trade this weekend!

Look and ask for fair trade products at these stores:
